

Grade 12 University English

Terminology

Your knowledge and application of the following literary/rhetorical devices will be essential for our discussion of literature this year. In your final year of English, you must provide sophistication, insight, and creativity in your work.

Please be sure that you can do the following for each item on the list:

- Define it.
- Cite an example of it.
- Recognize it in a passage of text.
- Create and use it effectively on your own.

You will have two classes in the Library to prepare for your work. The Internet and a “reference section” will be available for your research. What you do not complete during scheduled class time must be completed on your own.
